

Flymakers supply the finest quality fly tying materials, hooks & tools that you require to tie your own fishing flies. We stock a wide range of materials from Veniards, Lureflash, Partridge, Sprite, Kamasan, Hayabusa and others.

For those of you who either don't have the time to tie your own flies or just want to get out and fish we have a selection of trout and salmon flies.

This brochure details the items we hold in stock with the accompanying prices. However if there is something you require which is not listed please feel free to contact us via the details below. Remember that all orders must be placed by mail order, although we also provide flies and gift sets via Ebay (www.ebay.co.uk)

Simply complete the order form at the start of the brochure and send along with payment to the address below. Once we receive your order we will dispatch it as soon as possible.

Postal Address:	3 Wood Street Lane Aberdeen Scotland AB11 9QF UK
UK Telephone:	(01224) 898438
International Telephone:	+44 (1224) 898438

Hayabusa Hooks

HAYABUSA hooks are made in Japan, by one of that countries three hook manufactures of significance. Hayabusa are one of these, and their speciality is the production of incredibly sharp needle points.

These new concept hooks are made from CARBON 80, a tenacious and super strong wire, the needle points offer higher degrees of penetration coupled with microbarbs they guarantee ultra strong hook holds
